Ode to Joy

*Beethoven, composer. Lyrics by H. van Dyke
adapted for climate strike by Jeff Pinkney*

Joyful, joyful, we adore thee,
World of glory, world of love;
Hearts unfold like flow'rs before thee,
Op'ning to the sun above.
Field and forest, vale and mountain,
Flow'ry meadow, flashing sea,
Singing bird and flowing fountain
Call us to rejoice in thee.

Earth is giving and forgiving,
Ever blessing, ever blest,
Wellspring of the joy of living,
Ocean depth of happy rest!
Ever singing, march we onward,
Victors in the midst of strife,
Joyful music leads us sunward
In the triumph song of life.

One Foot - Lead with Love

From the Justice Choir Songbook

Chorus (unison):

You gotta put one foot in front of the other,
and lead with love PUT
One foot in front of the other & lead with love

Call and Answer:

We're all here today, 'cause we got something
to say (x2)

We gotta save the earth! From the surf to the
turf (x2)

The tides are rising high, that's not fake news
or lies (x2)

The trees are ash and burn, when will they
learn (x2)

The ice will disappear, and fill our hearts with
fear (x2)

For the old and young, that's why this song is
sung (x2)

Do it Now

Bella Ciao

We need to wake up
We need to wise up
We need to open up our eyes
And do it NOW NOW NOW!
We need to build a better future
And we need to start right now

We're on a planet
That has a problem
We've got to solve it, get involved
And do it NOW NOW NOW!
We need to build a better future
And we need to start right now

Make it greener, make it cleaner
Make it last, and make it fast
And do it NOW NOW NOW!
We need to build a better future
And we need to start right now

No point in waiting
Or hesitating
We must get wise, take no more lies
And do it NOW NOW NOW!
We need to build a better future
And we need to start right now
